GREATER HOLYOKE YMCA SWIM LESSON INFORMATION

HEALTH & SAFETY

- Do not come to class if anyone in your household is not feeling well.
- Masks are required throughout the building for anyone over 2 years old. Masks can be removed right before a swimmer enters the pool and must go back on right after class.
- Remember to social distance (6 feet of distance).
- Wash or sanitize your hands a lot!
- Staff are pre-screened prior to working.

TIPS

- Swimmers are encouraged to come dressed and ready to swim.
- We encourage people to Wrap-N-Go after lessons.
- Have your children go the bathroom before coming to the pool.
- Swimmers must bring their own goggles, if desired.

CLASSES

- Classes will be staggered and have a 1:4 instructor to swimmer ratio.
- Swim instructors will be wearing face shields during swim lessons.
- Arrive no more than 5-10 minutes early.
- All toys & equipment will be sanitized after each lesson.
- Only 1 spectator with a swimmer, we will have very limited sitting. We will have overflow seating in our large pool bleachers.
