

**FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY**

May 28, 2021

THANK YOU for being part of the Greater Holyoke YMCA.

As you may know the state of Massachusetts is lifting many of the restrictions that were in place over the past 14 months.

Beginning Saturday, May 29th

- Staff and members will no longer be required to wear masks. While we are not requiring masks be worn, we want you to do what you believe is best for you.
- Masks/face coverings will be optional at the YMCA.
- Masks are highly encouraged for those who are not fully vaccinated.
- The YMCA will not require proof of vaccination. We will use the honor system.
- We ask that you continue to social distance for personal health and wellness.
- Please note the following exception – Anyone entering our childcare facilities will need to continue to wear masks per EEC guidelines.
- The facility will be fully open including the steam and sauna areas.
- The Y will remain dedicated to cleaning and sanitizing the facility following the new regulations.

We ask that you demonstrate the YMCA values of Caring, Honesty, Respect and Responsibility toward one another as we move towards fully reopening our Y.

On behalf of the entire staff of the Y, thanks for your cooperation.
